#	Date	Bill Number	Description	VOTE	Result	Vote #'s
3	1/16/08	H. Res. 912	Motion to suspend the rules and adopt the resolution that would condemn the assassination of former Pakistani Prime Minister Benazir Bhutto and express condolences to her family and the families of victims of the Dec. 27, 2007, attack.	YES	Passed*	413-0
4	1/16/08	H.R. 4253	Motion to suspend the rules and adopt the resolution (H. Res. 921) to concur with the Senate amendment to the bill with an amendment. The House amendment would strike a provision from the Senate amendment that would require a study to examine obstacles facing veterans who want to start businesses. It also would limit proposed guidelines for an interagency task force intended to increase access to capital for small businesses owned by veterans and would strike a provision to eliminate employment loans included in the bill's disaster program.	YES	Passed*	406-2
5	1/16/08	H.R. 2768	Amendment that would alter, but maintain the requirement that the mining industry install, regardless of availability, fire-resistant conveyor belts and authorize \$30 million for Mine Safety and Health Administration to purchase new dust-monitoring devices. It also would establish that portable air chamber requirements in the bill can only be met by obtaining a chamber, not by placing an order for one, irrespective of availability.	NO	Passed	234-183
6	1/16/08	H.R. 2768	Amendment that would authorize \$10 million for grants to provide	YES	Passed	364-53

			rehabilitation services to current and former miners with mental impairments, including drug addiction.			
7	1/16/08	H.R. 2768	Amendment that would require the Labor secretary to maintain a list of mine operators who fail to pay assessed penalties. Operators would remain on the list until the secretary determines that the operator is no longer in arrears or is committed to timely payments of final assessments. The amendment would establish the Mine Safety Program Fund for mine safety inspections and investigations.	YES	Passed	416-0
8	1/16/08	H.R. 2768	Substitute amendment that would express the sense of Congress that current laws should be fully implemented, require a "Technical Study Panel" to evaluate the risk assessment procedures of deep mine conditions, require the Labor Department to promulgate regulations within 180 days of the bill's enactment for a drug-testing program for miners, and compile a registry within the same period of miners who test positive for substance abuse. It also would strike certain enforcement requirements and penalties established in the bill.	YES	Failed	188-229
9	1/16/08	H.R. 2768	Motion to recommit the bill to the Education and Labor Committee with instructions to report it back with a new language requiring substance abuse testing for mine workers.	YES	Failed	197-217
10	1/16/08	H.R. 2768	Passage of the bill that would circumvent the existing rule making process for mine safety, propose universal requirements on mines of all sizes and types without differentiating various safety needs, and impose approximately \$1 billion in unfunded mandates on American mines. In addition, mine operators would be forced to have certain safety equipment in place by dates certain, even if such equipment was available.	NO	Passed	214-199
11	1/16/08	H.R. 4986	Motion to suspend the rules and pass the bill that would authorize \$696.4 billion for defense programs in FY2008, including \$189.5 billion for the wars in Iraq and Afghanistan. It would authorize \$142.8 billion for operations and maintenance; \$119.7 billion for military personnel; \$23.7 billion for military construction and family housing; and	YES	Passed*	369-46

			\$23.1 billion for the Defense Health Program. It would authorize a 3.5 percent pay increase for military personnel. It also would allow the president to waive certain liability provisions as they apply to Iraq.			
12	1/17/08	H.R. 3524	Amendment that would require all housing units built as of Jan. 1, 2005, to be replaced at a one-for-one rate if demolished and would extend the timeline for rebuilding replacement housing to 54 months after the grant is enacted. It would also clarify that those illegally residing in the United States would not be eligible for public housing funded by HOPE VI grant money. It would require the program's construction to comply with the green building rating system.	YES	Passed	388-20
13	1/17/08	H.R. 3524	Amendment that would change the bill's requirement for one-to-one replacement of demolished housing units to apply only to units occupied before demolition.	YES	Failed	181-227
14	1/17/08	H.R. 3524	Amendment that would allow the Department of Housing and Urban Development to continue to issue demolition-only HOPE VI grants.	YES	Failed	186-221
15	1/17/08	H.R. 3524	Amendment that would bar the use of funds in the bill to pay for local prevailing wage requirements under the Davis-Bacon Act for public housing projects.	NO	Failed	136-268
16	1/17/08	H.R. 3524	Amendment that would strike the mandatory green building standards from the bill and instead require the Housing and Urban Development Department to select a rating system for green buildings.	YES	Failed	169-240
17	1/17/08	H.R. 3524	Motion to recommit the bill to the Financial Services Committee with instructions to include language that would give veterans with at least 90 days of service who were released or discharged honorably an increased priority consideration under the housing assistance program.	YES	Passed	372-28
18	1/17/08	H.R. 3524	Passage of the bill that would reauthorize \$800 million per year from FY2008 through 2015 for the HOPE VI public housing program. It also would require one-for-one replacement regardless of need of housing units demolished under the program, require mixed-income housing on sites of	NO	Passed	271-130

			demolished low-income housing and set guidelines for public housing units to be built in mixed neighborhoods. The bill would impose new “green” building standards.

19	1/22/08	H.R. 4211	Motion to suspend the rules and pass the bill that would designate a post office in Roanoke Rapids, N.C., as the "Judge Richard B. Allsbrook Post Office."	YES	Passed*	391-0
20	1/22/08	H. Res. 866	Motion to suspend the rules and adopt the resolution that would honor the U.S. Coast Guard for its 217 years of providing maritime law enforcement and border protection.	YES	Passed*	391-0
22	1/23/08	H.R. 3963	Passage, over President Bush's Dec. 12, 2007, veto, of the bill that would have reauthorized the State Children's Health Insurance Program at nearly \$60 billion over five years, expanding the program by \$35 billion. It would have expanded eligibility beyond 300 percent of poverty. It would have increased the tax on cigarettes by 61 cents to \$1 per pack and raised taxes on other tobacco products. This bill failed to ensure that illegal immigrants wouldn't have access; and included a budget gimmick that would have put the program at risk.	NO	Failed	260-152

116	3/11/08	H.R. 3773	Motion to table (kill) the Price, R-Ga., appeal of the ruling of the chair that the Price draft resolution does not constitute a point of privilege under Rule IX of the House. The draft resolution would express the sense of the House that it should immediately consider a Senate-passed bill (HR 3773), which would amend the Foreign Intelligence Surveillance Act.	NO	Passed	218-192
117	3/11/08	H.R. 2082	Passage, over President Bush's March 8, 2008 veto, of the bill that would authorize classified amounts in fiscal 2008 for 17 U.S. intelligence activities and agencies, including the CIA, the Office of the National Intelligence Director and the National Security Agency. It would authorize funds for the intelligence portion of the fiscal 2008 emergency supplemental for the wars in Iraq and Afghanistan. It would apply the requirements of the U.S. Army Field Manual regarding interrogations to all federal agencies. A two-thirds majority of those present and voting (276 in this case) of both chambers is required to override a veto. A "nay" was a vote in support of the president's position.	NO	Failed	225-188
118	3/11/08	H. Res. 948	Motion to suspend the rules and adopt the resolution that would congratulate the University of Kansas football team for winning the 2008 FedEx Orange Bowl and having the most successful year in program history.	Present	Passed*	396-0

301	5/8/08	H.R. 3221	Motion to concur in the Senate amendments with House amendment no. 1. The House amendment would incorporate provisions from six housing-related bills into one package. Among its provisions, the amendment would expand the loan-guarantee program of the Federal Housing Administration (FHA), overhaul the FHA's mortgage lending practices and designate certain agency surpluses for an affordable-housing fund. It would overhaul regulation of Fannie Mae and Freddie Mac, establish an affordable housing trust fund and create an independent	NO	Passed	226-154

			Federal Housing Finance Agency to regulate Fannie Mae, Freddie Mac and the Federal Home Loan Banks. It would provide legal protections for mortgage servicers who made certain loan modifications, permit federal savings associations to make investments designed primarily to promote the public welfare through the provision of housing, services and jobs, and authorize the Section 8 low-income housing voucher program through fiscal 2012 and alter calculations of income.			
302	5/8/08	H.R. 3221	Motion to concur in the Senate amendments with House amendment no. 2. The House amendment would provide a zero-interest, 15-year loan for first-time homebuyers, providing them up to \$7,500 for a home purchase over the next year. It would provide a one-time \$350 deduction (\$700 for married couples) in 2008. It would also increase temporarily the volume cap for the low-income housing tax credit, allowing states to allocate more credits to developers of low-cost housing. The amendment would also raise taxes by delaying implementation of a previously enacted provision to eliminate the double-taxation of U.S. companies that also operate internationally.	NO	Passed	322-94
303	5/8/08	H.R. 3221	Motion to concur in the Senate amendments with House amendment no. 3. The House amendment would clarify that no provision in the underlying measure or two federal banking statutes -- the Home Owners' Loan Act or the National Bank Act -- could be construed to pre-empt any state law dealing with residential foreclosures.	NO	Passed	256-160
304	5/8/08	H.R. 2419	Motion to instruct House conferees not to recede to provisions in the Senate-passed bill related to a permanent agriculture disaster assistance program.	YES	Failed	128-274

328	5/15/08	H.R. 2642	Motion to concur in the Senate amendments with House amendment no. 1. The House amendment would provide \$162.5 billion for the wars in Iraq and Afghanistan, with \$96.6 billion for FY2008 and \$65.9 billion for FY2009. Under the procedures used to consider this amendment, the funding would then be combined with restrictions on our troops and unrelated domestic spending. Members voted present to protect funding for the troops being used in this manner.	Present	Failed	141-149
329	5/15/08	H.R. 2642	Motion to concur in the Senate amendments with House amendment no. 2. The House amendment would require a troop withdrawal from Iraq within 30 days of the bill's enactment, with a goal of completing the withdrawal of combat troops by December 2009. It would require Congress to authorize any agreement between the U.S. and the Iraqi government committing U.S. forces. The amendment would require the Iraqi government to match reconstruction aid and to sell fuel to the U.S. military at the same price it is sold to Iraqi consumers. The amendment would define under what conditions military commanders could deploy troops to Iraq. Such restrictions could result in longer tours of duty for some service members. It would also compel all federal agencies to use only the interrogation techniques authorized in the Army Field Manual.	NO	Passed	227-196
330	5/15/08	H.R. 2642	Motion to concur in the Senate amendments with House amendment no. 3. The Hensarling motion would recommit the bill with instructions that it be reported back forthwith with language that would repeal alternative fuel procurement requirements for federal agencies.	NO	Passed	226-189

458	6/25/08	H.R. 2176	Passage of the bill that would ratify a land claims settlement between the state of Michigan and two Michigan Indian tribes, the Bay Mills Indian Community and the Sault Ste. Marie Tribe of Chippewa Indians. The bill would allow the tribes to operate a gambling facility on the new parcel of land in Port Huron, Mich., in exchange for the tribes relinquishing their claim to a 110-acre parcel of land in Charlotte Beach, Mich.	NO	Failed	121-298
459	6/25/08	H.R. 6358	Motion to suspend the rules and pass the bill that would establish new federal regulations for private residential programs that focus on serving children with emotional, behavioral or mental health problems, or problems with alcohol and substance abuse. Such programs are currently state regulated. The bill would require the Health and Human Services Department to enforce health and safety standards for children in such programs. The bill would authorize \$15 million to implement the bill's provisions from FY2009 through 2013.	NO	Passed*	318-103
460	6/25/08	H.R. 3195	Passage of the bill that would amend the Americans with Disabilities Act to redefine a disability as a physical or mental impairment that materially restricts one or more major life activities. It would extend protections to people with disabilities not immediately evident in the workplace, such as those of the immune, digestive and neurological systems. People with minor or short-term disabilities, and those that could be corrected with contact lenses or glasses, would be exempt from protections. It would clarify that the effects of "mitigating measures," such as hearing aids and prosthetics, could not be used in weighing how a person's disability affects life activities.	YES	Passed	402-17
